

Pay certificate for the unemployment fund

INFO

- The pay certificate should be sent to the employee's own unemployment fund.
- Unemployment funds receive information from the Incomes Register reported after January 1st 2019. The information that can not be found from the Incomes Register should be filled to this certificate. If the employee's unemployment fund is not known, the employer will deliver the completed certificate to the employee.

4 Pay details

INFO

- If the employee has been on a part-time pension, job-alternation leave or partial child care leave, or if his/her pay has been temporarily reduced due to reasons related to production or finances during the 26/34 weeks, report the pay details for the period immediately preceding the beginning of these circumstances. If the employee has received a partial sickness allowance or reduced sick pay, report the duration and earnings in section 7, since this period will not be included in the 26/34 weeks.
- If the employee is working in a company owned by his/her family, the information should be filled for 52 calendar weeks.

	Accrued pay for 26 calendar weeks, during which the employee has worked for a minimum of 18 hours. If the period of 26 weeks includes unpaid periods, extend the period for the pay certificate so it includes 26 calendar weeks during which the employee has worked (or has been paid for) at least 18 hours.
